Kungkari language

Kungkari (Gunggari) is an extinct, unclassified Australian Aboriginal language. Geographically it lay near the Barcoo River between the Karnic and Maric languages, but had no obvious connection to either; the data is too poor to draw any conclusions on classification. There is another language by the same name which was Maric.[3][2]

Kungkari	
Kuungkari of Barcoo River	
Native to	Australia
Extinct	(date missing)
Language family	Pama–Nyungan ▪ (unclassified, possibly Karnic) ▪ **Kungkari**
Language codes	
ISO 639-3	`lku`
